EQUIPMENT INVENTORY LIST

9 APRIL 2004

The Equipment Inventory List is segregated by Laboratory customer. Each Lab has its own Blanket Delivery Order for equipment preventative maintenance, repair / replacement services. The list is dynamic and equipment changes are made frequently. This list is for **reference only** and will change when award is made.

If you have any questions call Steve Godby at (937) 257-6478 x4218 or e-mail Steve.godby@wpafb.af.mil.
